® A member of Sadat Group

Shipping the Globe

Sadat Marine is a leading shipping company representing Egypt.

Our activities extend to Ship Owning, Chartering, Ship Management, Ship Operator services, Shipping Agency services and Full Logistics Operator services.

Sadat Marines is developing new markets and businesses to secure new growth engines

Sadat Marine's strong global network and its innovative management result Sadat Marine with sustainable growth, operational competitiveness and efficiency.

Sadat Marine is securing a base for growth through strategic cooperation with shippers in emerging markets, and by advancing our activities into neighboring markets.

We are proud of our regional competitiveness and aggressive track record in the marine transportation of bulk cargo such as grain, fertilizers, and coal to and from the Egyptian market.

Sadat Marine has achieved its successful container shipping activity in the territory by securing solid logistics networks in the region. Sadat Marine's marketing activities stems from its solid global network and almost half a century of experience in shipping services with overseas and domestic shippers.

Sadat Marine is now taking its vision to the next-leap.

Message from the Chairman

Sadat Marine welcomes you aboard our voyage of transformation into a key shipping and marine transportation company in the region.

Sadat Marine continues to expand its business activities in order to establish a sustainable growth plan yielding profits. We secure stable business opportunities through continuous investments in ship owning and services. A key to our success is our effective Risk Management Team who has continued to manage risks associated with the fluctuating shipping market locally and globally. The Sadat Marine Risk Management Team collects and analyzes data to establish preventive measures, allowing us to cultivate trust with our clients regardless of market conditions.

The reputation and credibility sustained by Sadat Marine locally and in the MENA region is an acknowledgment of our leading operations performance and our key cooperation's with our international shipping partners stemming from over three decades of performance and experience. Sadat Marine has achieved remarkable success for over the years, and is now taking a leap forward in vessel management and hot-commodity commerce in the Territory.

Sadat Marine is proud to be one of the key private Egyptian company awarded government tenders for Grain and Mineral sectors in recent years.

Our sustainable growth throughout the decades is driven by our innovative senior management and more importantly by our professional operations team, and man-power. For more than 30 years, our company values have governed the way we deal with our employees, clients and society; which has become essential to the quality of our success. Our business model integrates our operational and commercial activity, fusing our traditional operator and marine transporter role with new opportunities that support our controlled exposure policy which focuses on profitability in the long-run. Sadat Marine will continue to deliver its innovative values, and secure its foundation for sustainable growth. With your trust and support, Sadat Marine will continue to fulfill its vision and gain success in the regional market.
